

Operating Explanation

As a power line, 12V DC can be used.

12V DC power is supplied via DC jack to IC3 78L05.

ICI BH1416F, as a wireless Audio Link IC which is manufactured by Rohm, can transmit FM-Stereo via ANT' if you add the frequency of 7.6MHz X-TAL Clock and O.S.C Circuit to it(ICI BH1416F).
