Michael, The above referenced application has been reviewed and the following information is necessary in order to complete the review:

The model numbers matrix does not cover the new antennas or associated RF Power Output. Additionally, the test report documents that maximum RF power for each antenna needs to be listed for the Installation instructions. Please update this document to cover the new model numbers and new antennas or the point to point (P2P) operation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Best regards,

Chris Harvey
