Attention: Application Examiner

RE: Class 2 Permissive change to allow Co-located Operation

Applicant: **Tropos Networks Inc.**

FCC ID: P9J-5805

Description: 5.8 GHz 802.11a Radio Module

To whom it may concern,

The referenced module will be installed in products that will be co-located with other module antennas. In particular the referenced module's antenna will be co-located with antennas for the following 2 modules:

Grantee	FCC ID
Tropos Networks	P9J-2411
Itron	SK9ITR900-1

Class 2 permissive changes have been filed concurrently for these two modules.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS
EMC Consultant/Agent for Itron Electricity Metering Inc.
