

Label Placement for PLD141 Devices

PLD Product Label

PLD Back Cover

The Model name appearing on the device may be followed by additional designations (e.g. PLD141BC, PLD141YE, etc.). These designations indicate certain esthetic features. The electronics are equivalent regardless of the suffix, which is included for marketing purposes and clarity only, hence the use of the 'PLD141 series' term.

Model PLD141**

FCC ID: PAS-PLD141

IC: 3853A-PLD141

141010409000029
