To Whom It May Concern:

Re : EMC, R&TTE, FCC, Canada IC application

We, Griffin Technology, would like to declare that, the product iPad Keyboard, models no.: MOD-37992, MOD-37994, MOD-37996 & MOD-37997 which had been submitted for testing are identical in all electrical aspects in relating to the circuit design, layout and construction. Only the size and color of product is different and stated as below:

MOD-37992 (iPad Keyboard-black) and MOD-37994 (iPad Keyboard-red) are normal size with different color.

MOD-37996 (iPad mini Keyboard-black) and MOD-37997 (iPad mini Keyboard-red) are mini size with different color.

Yours faithfully ,
