**Problemlösung**  
Check these first for a quick fix:  
1. Is the antenna connected?  
2. Is the battery fully charged?  
3. Is the volume turned up?  
4. Is the radio set to the correct frequency?  
5. Is the radio set to the correct mode?  
6. Is the radio set to the correct preset?  
7. Is the radio set to the correct preset?  
8. Is the radio set to the correct preset?  
9. Is the radio set to the correct preset?  
10. Is the radio set to the correct preset?

**Problemlösung**  
1. Ist die Antenne angeschlossen?  
2. Ist die Batterie vollständig geladen?  
3. Ist die Lautstärke hoch genug?  
4. Ist das Radio auf die richtige Frequenz eingestellt?  
5. Ist das Radio auf den richtigen Modus eingestellt?  
6. Ist das Radio auf das richtige Preset eingestellt?  
7. Ist das Radio auf das richtige Preset eingestellt?  
8. Ist das Radio auf das richtige Preset eingestellt?  
9. Ist das Radio auf das richtige Preset eingestellt?  
10. Ist das Radio auf das richtige Preset eingestellt?

**Problemlösung**  
1. Is the antenna connected?  
2. Is the battery fully charged?  
3. Is the volume turned up?  
4. Is the radio set to the correct frequency?  
5. Is the radio set to the correct mode?  
6. Is the radio set to the correct preset?  
7. Is the radio set to the correct preset?  
8. Is the radio set to the correct preset?  
9. Is the radio set to the correct preset?  
10. Is the radio set to the correct preset?
