

PACIFIC INDUSTRIAL CO., LTD.

Attn: Director of Certification

November 2, 2012

Re: Declaration of change contents.

This declaration is effective for the following these IDs.

- FCC ID:PAXPMV107J
- IC:3729A-PMV107J
- FCC ID:PAXPMV108J
- IC:3729A-PMV108J

This declaration letter declares that the change point of the these IDs are described following by.

- Change to capacitor from varicap diode one of the two.
- Change value of C10.

Notes:

The values of electronic parts are decided before this product is mass-produced, based on the characteristic of the prototype.

Exterior, attachment, indication, and other parts that don't effect radio, may be changed.

The changed components are not part of the frequency determining frequency.

Sincerely,

Takumi Sugino
Engineer, TPMS DEPT
