WARNING:
CHOKING HAZARD - Small Parts.
Not for Children under 3 years.

RC T. REX
RADIO CONTROLLED ANIMATED ACTION DINOSAUR

INSTALLING THE REMOTE'S BATTERIES
Operation requires 3 "AA" 1.5V batteries (included) for the dinosaur, and 2 "AAA" batteries for the radio controller (not included).

• Using a screwdriver, remove the screw from the battery compartment.

• Open the battery compartment door and insert 2 "AAA" batteries (Fig. 1).

• Using a screwdriver, attach the battery compartment door back onto the remote.

INSTALLING THE DINOSAUR'S BATTERIES
NOTE: For best results, replace dinosaur batteries upon purchase.

• Locate the battery compartment located on the side of the tail.

• Using a screwdriver, remove the screw from battery compartment.

• Open the battery compartment door and insert 3 "AA" batteries (Fig. 2).

• Using a screwdriver, attach the battery compartment door back onto the dinosaur's tail.

BATTERY WARNING:

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel cadmium) batteries.
- Insert batteries using the correct polarity. Do not short-circuit the supply terminal.
- Remove batteries when not in use. Recycle or dispose of exhausted batteries according to federal, state, and local laws. Do not dispose of batteries in a fire, they may burst or explode.
- Only use manufacturer specified battery type(s), charger(s) and/or adapter, if applicable, specified in the manufacturer's instructions.
- Always use, replace, and recharge (if applicable) batteries under adult supervision.

SAFETY WARNINGS - PLEASE READ BEFORE USING PRODUCT

- Not recommended for children under 6 years of age. As with all electrical products, precautions should be observed during handling and use to reduce the risk of electrical shock.
- It is recommended that this toy and all accessories be periodically examined for potential hazards and that any potentially hazardous parts be repaired or replaced.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's warranty to operate the equipment.

FCC: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
