Photo shows label placement on half-mini card.

Label wraps around onto other side of the board.

The side of the label with the FCC ID appears on the back of the board.

HOST LABEL

The certification label is stuck on the topside of the applying transmitter device, and the FCC ID and IC Certification Number are visible when the keyboard assembly is removed.

Label of user installable wireless module for the applying transmitter card

TX FCC ID and IC Certification number for installed transmitter cards are located under the customer removable access panel, Keyboard, or Palmrest - see user manual label P/N: XXXXXXXX
