RE: FCC ID: PD9533ANMU requestt for supercede of originally uploaded DTS and NII test reports

FCC ID: PD9533ANMU

Please supercede the following uploaded on 9/18/08 for that uploaded today 9/22/08  
Test report

The reason for the request is that there was reference to the MIMO in the reports that would lead you to think the EUT was a 2X3 MIMO instead of a 3X3 MIMO.

The paragraph on page 11/22 – it was changed in the new report to read 3X3 MIMO.

Thank you.
