Gentlemen:

This letter is an attestation that the Intel Model 622ANHMW will be manufactured with the EEPROM programmed at the factory such that maximum output powers will not exceed the values detailed in the test reports associated with this filing.

This information when programmed into the EEPROM will not be accessible and can not be changed by the end user.

If you have any questions please do not hesitate to contact me at 803-216-2344.

Sincerely,
