

American Certification Body, Inc

June 19, 2012

To whom it may concern;

I attest to the fact that the documentation backs up the BLE band. It was an error on my part that it was not included in the original filing.

The data for the BLE can be found on page 6 and from page 215 thru 237 of the DTS test report that was uploaded with the original filing.

Thank you,  
Doug Noble  
ACB
