Re: Change of Identification Authorization

FCC ID: H9PLA4131M

Date: August 13, 2001

Dear Mr. Gilmore:

This letter grants authorization for representatives of Intel to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Symbol Technologies Spectrum 24 HR WLAN PC Card FCC ID H9PLA4131M granted on July 25, 2001. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

If there are any questions about this authorization, please call me at the number above.

Respectfully,

A handwritten signature in blue ink that reads "Norm H Nelson".

Norman H. Nelson
Sr. EMC Engineer
