

Annex F. Photographs

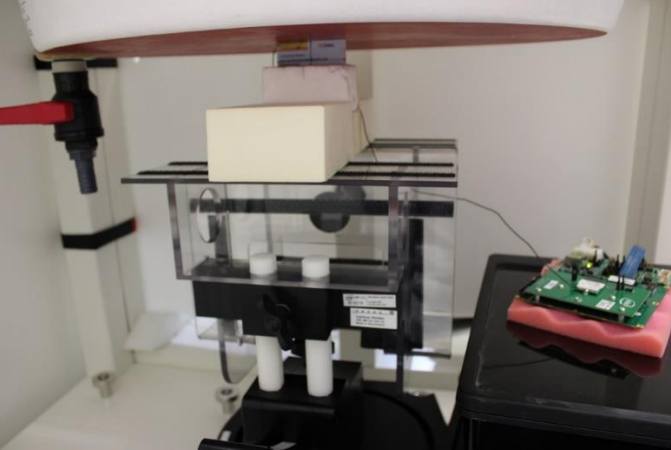

F.1 Test Sample

NGW Module: (Front) 220225-01.S10	NGW Module: (Back) 220225-01.S10
	
Platform Extender: 210611-02.S32	Laptop PC Host: 170000-01.S12
	

F.2 Test positions

Top Edge 19mm	Bottom Edge 19mm
 <p>A photograph showing the top edge of a device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. A label on the device reads: Company Name: SkyCross Electronics (Shenzhen) Co., Ltd. Shanghai Branch; Antenna Type: WIMAX; Date: ; TEL: +86-21-6434 8850 E.</p>	 <p>A photograph showing the bottom edge of the device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. The label is partially visible and upside down.</p>
Left Edge 19mm	Right Edge 19mm
 <p>A photograph showing the left edge of the device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. The label is visible and upside down.</p>	 <p>A photograph showing the right edge of the device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. The label is visible and upside down.</p>
Front Face 19mm	Back Face 19mm
 <p>A photograph showing the front face of the device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. The device is oriented vertically.</p>	 <p>A photograph showing the back face of the device held on a wooden block. A vertical ruler is placed to the left, showing a 19mm measurement. The device is oriented vertically.</p>

F.3 Antenna host platform location and adjacent edge positions relative to the body

Antenna Front View	Antenna Positions
 <p>A photograph showing the front view of an antenna host platform. A black ruler with white markings in centimeters is placed above the antenna. The antenna is a light blue rectangular board with a yellow and orange connector strip on the left side. A white label is affixed to the board with the following text: "Company Name: SkyCross Electronics (Shenzhen) Co., Ltd. Shanghai Branch. Antenna Type: WIMAX / WLAN. Date: TEL: +86-21-6434 8850 EXT.101". The SkyCross logo is visible on the board.</p>	 <p>A diagram of the antenna host platform showing its edges and faces. The edges are labeled: "TOP EDGE", "LEFT EDGE", "RIGHT EDGE", and "BOTTOM EDGE". The faces are labeled: "FRONT FACE" (in red) and "BACK FACE" (in red, with a red arrow pointing to the back of the board). The same white label as in the previous image is shown on the front face.</p>
General Setup	
 <p>A photograph of the general test setup. It shows a black metal frame with a yellow box on top. A green printed circuit board (PCB) is mounted on a red surface to the right. A red cable is connected to the setup. The background is a plain white wall.</p>	

F.4 Phantom liquid level during measurements

ELI phantom Body liquid SAR Dasy SPEAG MBBL600-6000V6 Batch – 160630-1
