## Attestation Letter for Low Power Indoor Client Module Approval

FCC ID: PD9AX411E2

This original application currently includes an Information Guide which was recently edited to meet all required information and instructions and should be considered as a draft document.

This letter is to attest that at such time the final publication is issued the filing will be updated with that published version.

For any questions please contact me at your convenience.

A handwritten signature in black ink, appearing to read "Steven C. Hackett".

Steven C. Hackett
