Gentlemen:

The attached documentation is provided to formally dismiss an application (FCC ID: PD9LEN3945ABG). The reason for dismissal is since TCB's are now allowed to review applications that have 5GHz SAR testing and our client is on a tight schedule for completion. On behalf of our client, Aegis Labs is acting as an authorized agent to make these changes pursuant to Subpart C of part 15 of FCC Rules (47 CFR) regarding intentional radiators.

**FCC ID: PD9LEN3945ABG**

**Form 731 Confirmation #: EA339324**

**Form 731 Confirmation #: EA974343**

If there are any additional questions or if further information is needed, please contact us at your earliest convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Candelas". The signature is written in a cursive style and is contained within a white rectangular box.
