Re: Change of Identification Authorization, FCC ID: PPD-AR5B93

This letter grants authorization for representatives of **Nokia Corporation** to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Atheros Communications Inc. **802.11n 2X2 PCIe Minicard transceiver**, FCC ID: **PPD-AR5B93**, granted on Jan. 23, 2009. We are aware that Nokia Corporation intends to market the above referenced product under their own FCC.

Sincerely,

Michael Green / Manager, Global Product Compliance
Atheros Communications Inc.
