13th December 2001

Dear Monica Roos

RE: FCC ID: PEI-INSITE-1900

We hereby attest that this base station transceiver is intended for professional installation only, by trained, authorized personnel. This is supported by the following documents, which are part of the certification filing:

"Warning & Caution - InSite 1900.pdf" Section 2.1,

Personnel "Additional Installation Instruction InSite 1900.pdf" First paragraph.

Because access to the interior of the unit is limited to authorized personnel, we hereby request the proprietary technology disclosed by the interior photographs be held confidential, as requested in the original confidentiality request.

Yours Sincerely

Mr. Malcolm Musgrave
