To whom it may concern:

We, (Xetawave, LLC) hereby request a Class II permissive change be granted for FCC ID: PEJ-93829283-MSD9 to modify the modulations.

We performed testing and confirmed that the RF section of the transmitter, frequency range and power levels are electrically identical to the module that was previously tested and granted approved under FCC ID: PEJ-93829283-MSD9.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Craig Held". Below the signature is the number "10.".
