FCC ID: PEL640-0001

To Whom It May Concern:

Pursuant to Section 0.457 (d)(1)(ii) and 0.459 of the Code of Federal Regulations (CFR), the Applicant hereby requests confidential treatment of the NextComm supplied information accompanying this application. The confidential information includes the following:

Schematics.pdf
Operational Description.pdf
Frequency Block Diagrams.pdf
Internal Photos.pdf

The inside of the card is not user accessible. Opening the card case would damage the case and cause improper shielding of RF radiation. Layout and component part numbers are competitive information that NextComm treats as confidential. Public disclosure of this information would be harmful to NextComm and provide unjustified benefits to our competitors.
