

The Ultimate Storage Device.

USB X DRIVE™

Benefits of Using USB X Drive™

SAVE all your large files on the USB X Drive such as PowerPoint™ presentations, websites, design music and video files. About the size of a car key, the USB X Drive connects to your USB port and allows you to transfer your files up to 1 GB. There is no simpler or more convenient method to move your data.

SECURE your confidential files with ease of mind. Before you leave your home or work, back-up your most important data and carry it with you. Imagine being able to keep your budget, your address book, or important e-mail in your pocket without worry!

SHARE with all major operating systems faster than anything of its size. You can Plug-and-Play the device on nearly all PCs worldwide using Windows, Mac, and Linux operating systems.
