FCC Part 22 Certification
Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, Sewon Telecom hereby requests confidentiality of the Block Diagrams, Circuit Diagrams, Circuit Description, Parts List, Tune-up Procedure, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Sewon Telecom considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Sewon Telecom considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

J.G. Kim
