

Dear Application Examiner,

Northwest EMC, Inc., is the agent for Biotronik, for their application for PG6BELOS-T. The form 731, which we submitted, did not have the correct information for the model notes to appear on the grant. We would like to modify the model notes for PG6BELOS-T. The model notes should be. "Belos DR-T, Belos VR-T, and Cardiac Airbag-T"

Thank you for your assistance in this matter.
