Subject: Dismissal of Application for PGAM6000 and PGAM6200

Dear Reviewer:

American Microsystems, Ltd. (AMS) does hereby request that this equipment authorization request be dismissed. We have instead elected to seek equipment authorization from a Telecommunications Control Bodies (TCB), MET Laboratories. We do wish to re-use the following FCC ID's: PGAM6000 and PGAM6200. Prompt removal of these applications from your database would be personally appreciated.

If there are any questions about this request, please contact me. Thank you.

Respectfully submitted,

Andrew Perkins
