RE: FCC ID: PGR2W2700ATH_ATCB002577
Attention: Juan Martinez

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the device is more than sufficiently large to contain the required statement of 15.19. Please note that this statement can be on a separate label than the FCC ID label, but does need to be on the device as specified in 15.19(a)(3) (i.e. "All other devices shall bear the following statement in a **conspicuous location on the device**"). Please provide a label with the required statement, and please show where on the device this statement in 15.19 will be located.
2. Please note that the application forms state 4 variant models. However, the report only shows 1 model number. Please explain how these other models fit under this application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
