Letter of Explanation

Dec 9, 2015

National Technical Systems – Silicon Valley TCB
41039 Boyce Road
Fremont, CA. 94538

FCC ID: PGRC61

Dear Examiner:

I am writing this letter of explanation to address the labelling requirements as outlined in FCC 2.925(d)(1).

The agency labels used on this product have been certified to, and meet the UL 969 Marking and Labeling requirements and listed under the UL Category Code Number (CCN) PGDQ2 as noted in the UL Safety listing E222159-A44 for this product.

This category covers finished printed adhesive-attached labels suitable for the surfaces and use conditions indicated in the individual Recognitions. The labels are intended to provide warnings, instructions and other information subject to permanence of marking requirements.

As a result of this type of UL label certification imposed on the label for this product we are asserting that this label also meets the requirement(s) as outline in FCC 2.925(d)(1).

Thank you for your attention. Please let the undersigned know if National Technical Systems – Silicon Valley TCB or the Commission disagrees with our position or requires further justification.

Sincerely,

A handwritten signature in black ink that reads "Mark A. Rieger".
