

LABEL POSITION INSTRUCTION

LABEL POSITION INSTRUCTION FOR DIRECTV HR54-700 (D9652012700)

Position top section of D965-HR54-700-Product-Label-RevA as squarely as possible in position shown.

IMPORTANT:

Ensure none of the labels are placed over any vents or holes on the base of the unit.

Position **WARRANTY WARNING** label 298-2020610 as squarely as possible in position shown.

Position **HR54 Approvals** label 298-2012701 as squarely as possible in position shown.

Change since last issue:

Approvals label now 298-2012701 because the FCC ID on it has changed. Label shown is not final label.

Image to demonstrate label location only.
