Columbia, MD 21046

**Class II - Permissive Change Request**

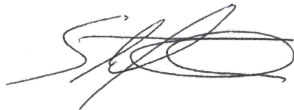

**FCC ID:** PH29949

Pursuant to Section 2.1043 of the Commission's Rules, Dexcom, Inc. hereby submits the class II permissive change for the device model number MT24078 with FCC ID: PH29949.

No changes were made to the antenna, components, layout and radiated RF output power settings related to the intentional radiators of the product.

Changes are detailed in the attached documents and are primarily for the approval of a second source for components that are not involved in the intentional radiator circuitry, to further improve the immunity of the system against ESD and improve manufacturability.

Yours sincerely,

Name: Stefan Robert

Title: Sr. Staff Product Standards Compliance Engineer
