Re: Extend 12.5 KHz channel separation capability to Jan. 01, 2015

Pursuant to the ORDER: DA 13-431, the PMR device is authorized to use 12.5 KHz channel separation until Jan. 01, 2015.

The Applicant understands that from Jan. 01, 2015, PMR device must be narrow band compatible.

Sincerely yours,

Alinco Incorporated, Electronics Division
