

6815 Flanders Drive Ste. 210 San Diego California United States 92121

Date: **Januar 9, 2013**

## **Declaration**

We, **Axesstel Inc**, declare that the device, FCC: **PH7SP100**, Model Name: **SP100**, does not have “Ad Hoc on non-US frequencies” and/or on DFS frequencies. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

Moreover, for 2.4G part of this device, only channels 1~11, will be used in North America and all non-US frequencies and Country code selection are disabled through proprietary software and is not user changeable.

Should you have any question or comment regarding this matter, please do not hesitate to contact me.

Sincerely yours,

*Emily Chen*
