REFERENCE: REQUEST FOR CLASS II PERMISSIVE CHANGE

TO WHOM IT MAY CONCERN:

This letter is a request for a Class II Permissive change. This model has less features than the originally approved model and therefore has less components on the PCB. They have also made cosmetic changes. The Changes were that the CTCSS feature was removed.

The EUT was retested and the EUT continues to comply with all requirements

Should you require any further information, please contact me at 1-888-472-2424.
