CDR915LX Photos.Doc 1/31/2006

A photograph of a green printed circuit board (PCB) with a gold-colored metal shield, a black cable with a gold connector, and a wooden ruler for scale. The PCB is populated with various components, including a large black integrated circuit (IC) labeled "DataCom, Inc. Copyright 2004", a smaller IC labeled "NT-232/485 Combo", and several surface-mount components. A black cable with a gold-colored connector is plugged into the board. A wooden ruler is placed below the board for scale.

CDR915LX Photos.Doc 1/31/2006

Photographs of the test fixture used during testing.
