Subject : Request for Class II Permissive Change

FCC ID : PI403B

Original grant date : 30th August 2006

Applicant : Ezurio Limited

To whom it may concern:

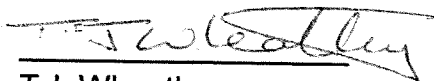

This is to request a Class II Permissive Change for FCC ID : PI403B,
originally granted on 30 08, 2006.

The modification points are as follows:

1. Removal of on-board antenna and replacement with U.FL connector
2. Addition of separate antenna board connected via short cable to U.FL connector. Antenna board uses same antenna as original unit. Unit is marketed as a complete assembly.

Thank you for your attention to this matter.

Sincerely yours,
