Subject: Request FCC to dismiss the grant

Ref: Ezurio Ltd.  
FCC ID: PI407B  
Grant date: 11/13/2007  
TCB Reference No: AN07T7348

To Whom It May Concern:

Electronics Testing Center, Taiwan was the agent submitting above application to CCS-TCB. CCS-TCB received a written request from Electronics Testing Center, Taiwan to dismiss the FCC ID:PI407B because the output power reported under the approved FCC ID is too low that can't meet their customer's specification. Per Ezurio Ltd. request, they will like to re-file under the same FCC ID with the new measured output power after dismissing the original grant.

Attached please find the dismissal request letter issued by Grantee with the statement of none approved device has been placing on the market.

If you have any question, please feel free to contact the undersigned.

Best Regards
