Declare that the BSR and SPR units are certified under one FCC ID, as described in the table below:

Brand	Type	Product description	FCC ID
Airspan Networks Inc	<ul style="list-style-type: none"><li>• BSR 2.5 GHz TDD V-pol</li><li>• SPR 2.5 GHz TDD V-pol</li></ul>	<ul style="list-style-type: none"><li>• Outdoor radio (Base Station)</li><li>• Outdoor radio (subscriber site - CPE)</li></ul>	<b>PIDAIRSPAN-25G</b> (for both BSR and SPR)

The BSR and SPR units have the same FCC ID as these units contain identical RF cards (i.e. RF components). The only difference between the BSR and SPR is their software program.
