FCC ID: PIDASMAX36  
Form 731 Confirmation Number: EA553449

Dear Mr Dayhoff,

**Change of Frequency band from 3650-3700 MHz to 3650-3675 MHz**

Airspan would like to modify their application for the above certification such that the EasyST may only operate in the lower half of the 3650-3700 MHz band. The new frequency bands will be:

Lowest Frequency ( MHz)	Highest Frequency ( MHz)	Power (dBm)	Emission Designator
3655	3670	21.55	5M0D7D
3655	3670	21.63	10M0D7D

Yours Sincerely,

Zion Levi  
Compliances & Testing Engineer
