Dear Sir/Madam,

Mattel Asia Pacific Sourcing Ltd. requests acceptance of the labeling proposal described below for **Toy Story 3 Buzz Space Ship Radio Control Vehicle** bearing FCC ID: **PIYN9122-11A4R**.

The **Toy Story 3 Buzz Space Ship Radio Control Vehicle** shown in figure 1, authorized under FCC Part 15 Class B.

Figure 1

Because of the majority of the device housing has extremely limited space available to attach the required label carrying both FCC ID and the required statements. Attaching the label to a detachable part of housing is not acceptable. For this reason, **Mattel Asia Pacific Sourcing Ltd.** proposes placing the FCC ID only on the housing as shown in figure 2.

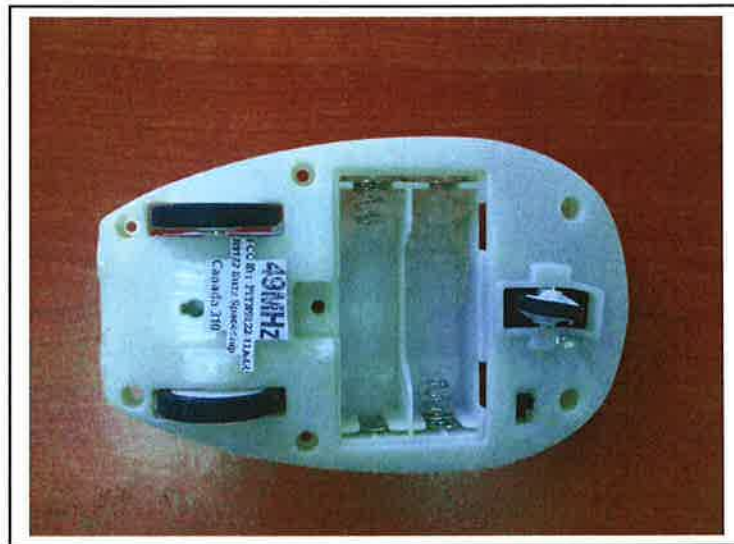

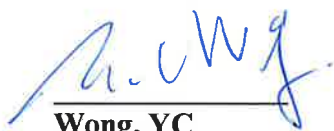

Figure 2

The required statements will be readily visible to the user in the user manual.

Yours faithfully,

Mattel Asia Pacific Sourcing Ltd.
