

**RD418D 4kW 18" Digital Radome Scanner**  
**RD424D 4kW 24" Digital Radome Scanner**

**Internal Photographs – Part 2 of 2**

## INDEX

| Page No. | Description  |
|----------|--|
| 3        | LNC Module showing 9.4GHz input (pickup) probe                           |
| 4        | LNC Module with cover removed, showing absorber and PCB detail           |
| 5        | LNC Module plan view of PCB  |
| 6        | IF Module PCB, main component side, with Ethernet connector at top right |
| 7        | IF Module PCB , reverse side   |
| 8        | Modulator/PSU PCB, main component side, with IF interconnects in place   |
| 9        | Modulator/PSU PCB, main component side, IF interconnects removed         |
| 10       | Modulator/PSU PCB, underside   |
