

RD424 4kW 24" Radome Scanner

Internal Photographs

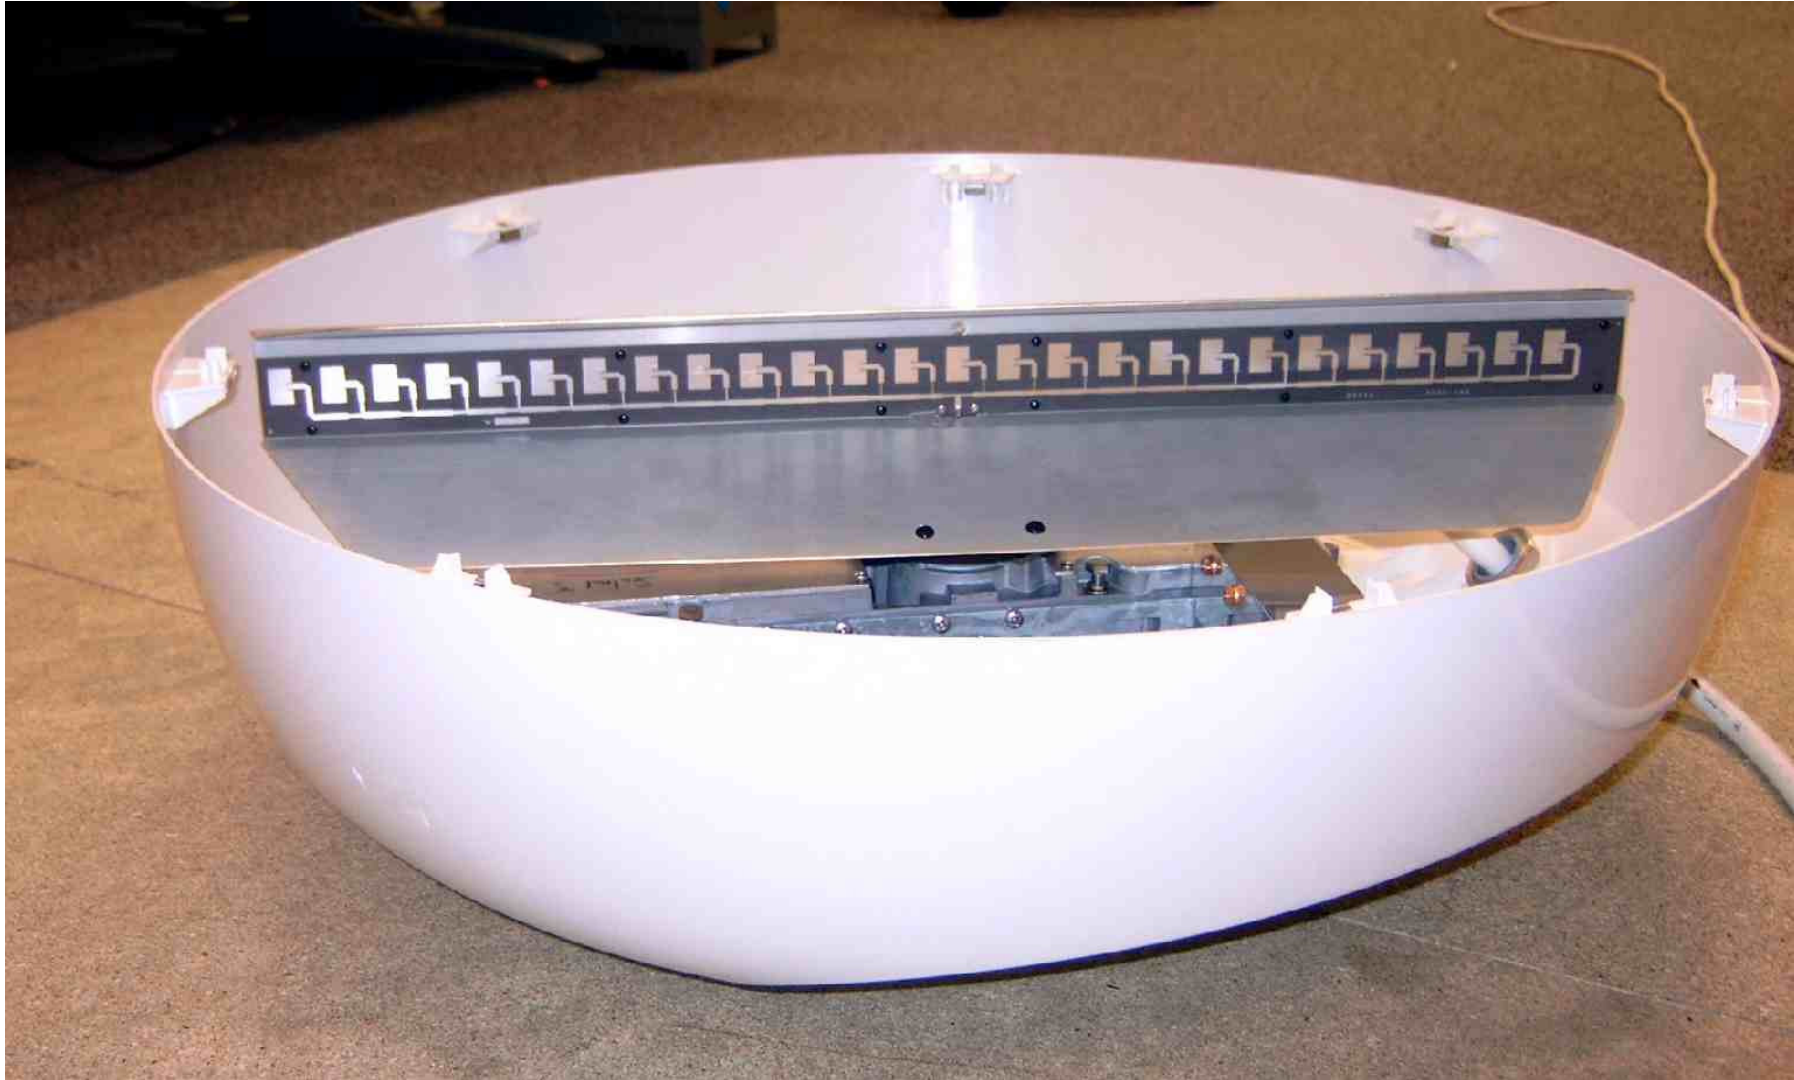

INDEX

Page No.	Description
3	Top cover removed; showing rear view of antenna
4	Top cover removed; showing front view of antenna
5	View showing circulator and magnetron screening box
6	Core with cable termination cover plate removed
7	Core with I.F. amplifier PCB cover plate removed
8	Core with Modulator/PSU assembly cover plate removed
9	Core with Magnetron screening box removed
10	Core with I.F. Amplifier PCB removed
11	Core with I.F. Amplifier PCB and Modulator/PSU assembly removed.
12	Core underside showing LNC cover, magnetron and circulator
13	Core underside with LNC cover removed
14	LNC PCB underside
15	LNC PCB top (component) side with screening can removed
16	I.F. PCB Assembly top (component) side
17	I.F. PCB Assembly underside
18	Modulator/PSU Assembly top (component) side
19	Modulator/PSU Assembly underside

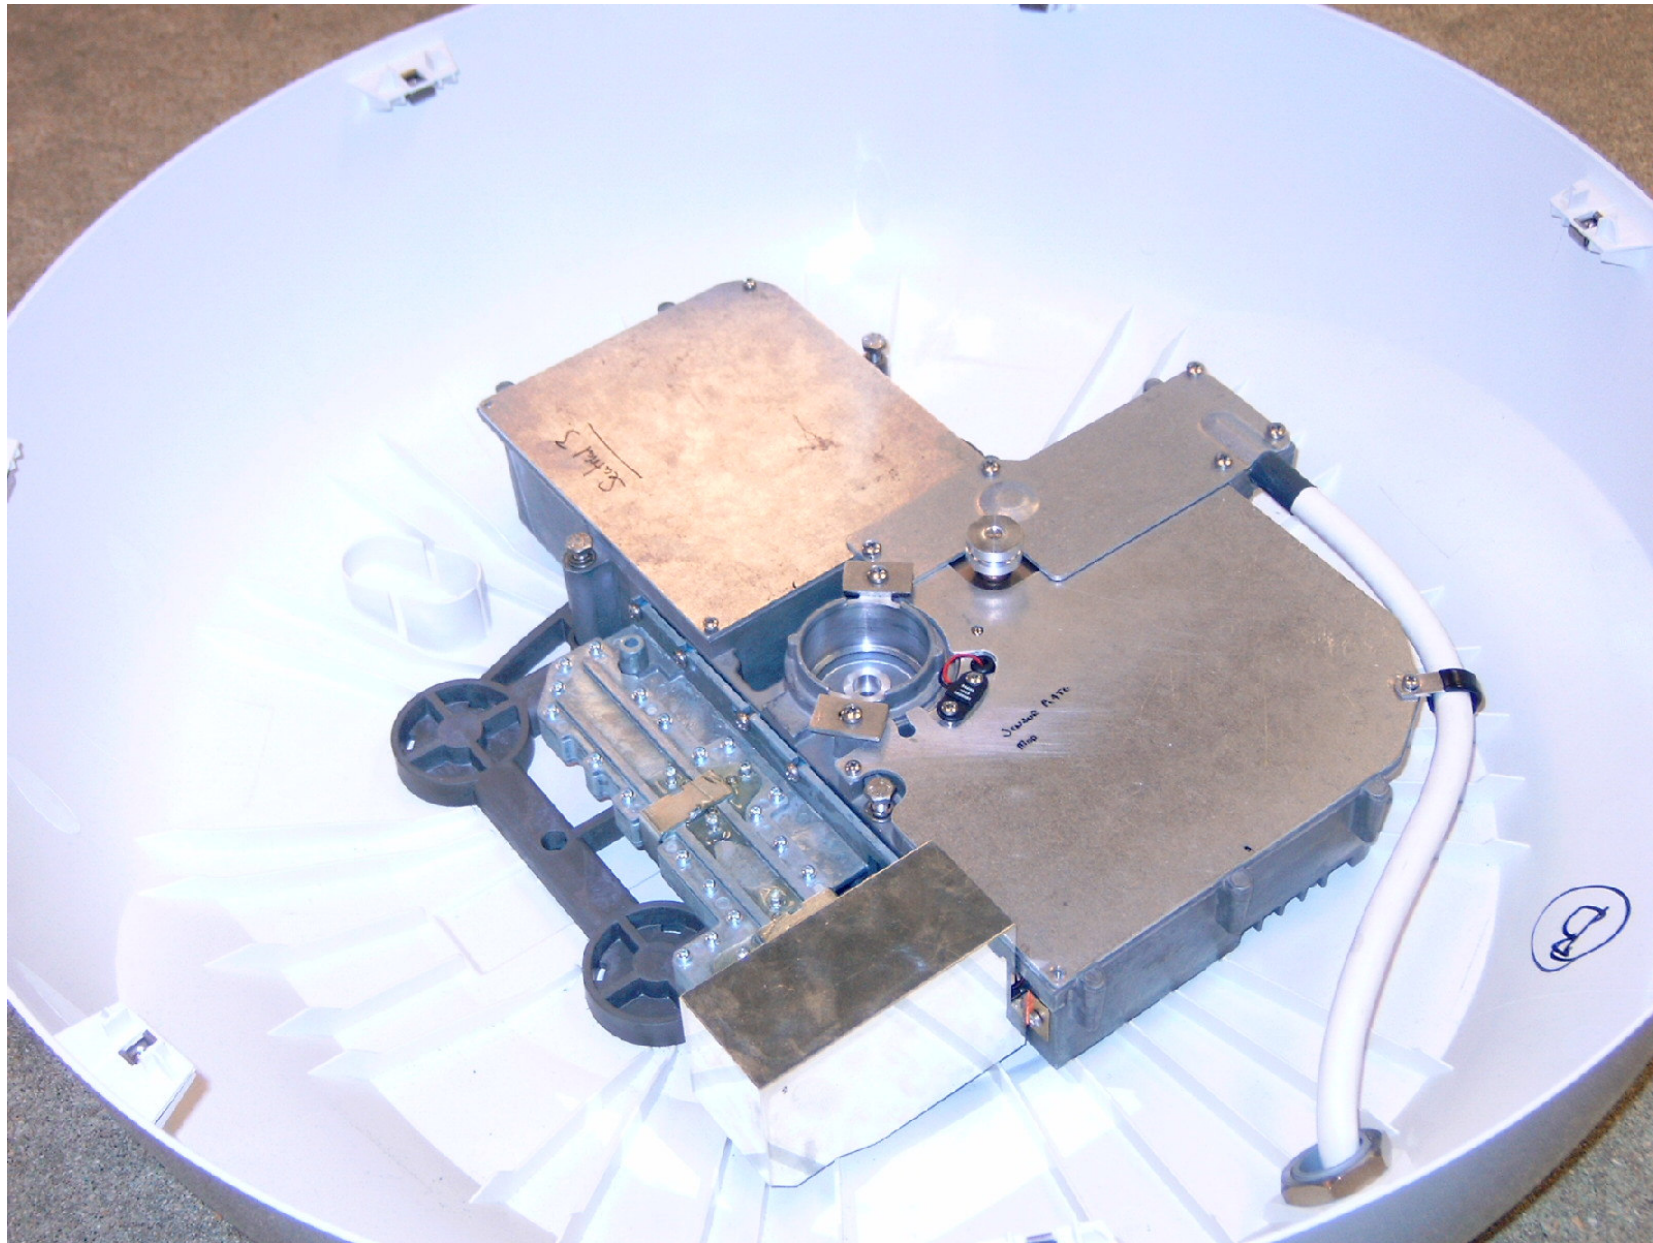

RD424 4kW 24" Radome Scanner

Top cover removed; showing rear view of antenna

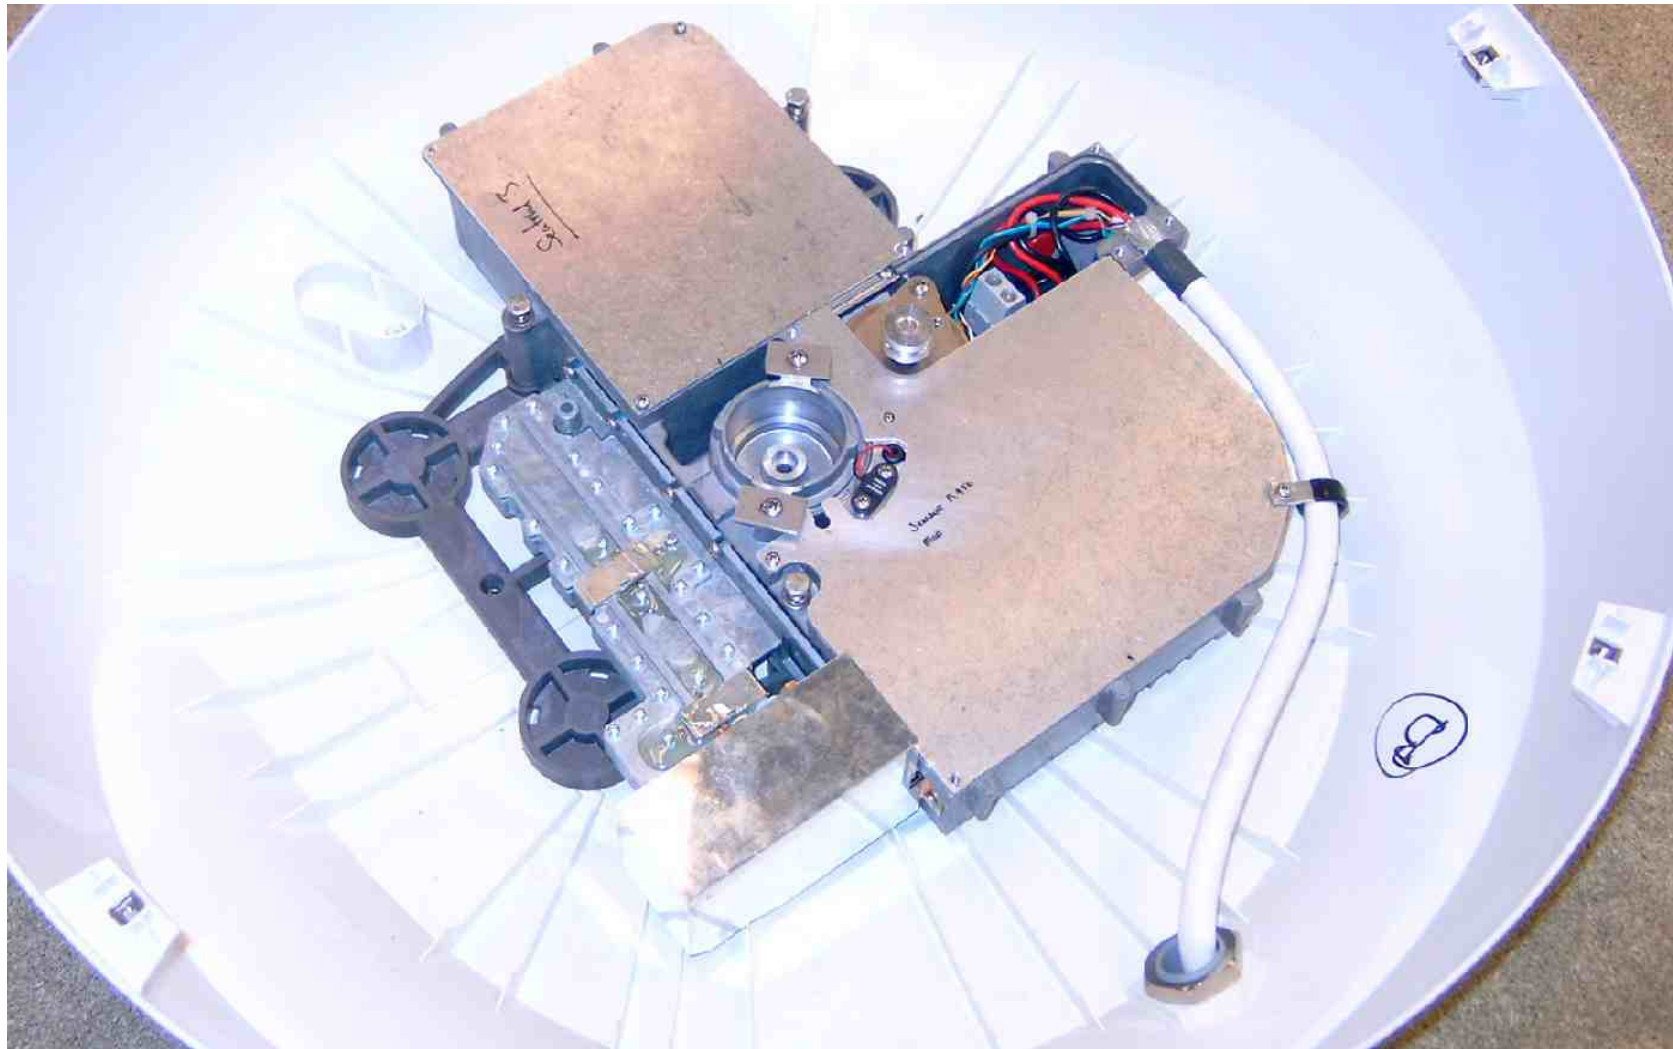

RD424 4kW 24" Radome Scanner

Top cover removed; showing front view of antenna

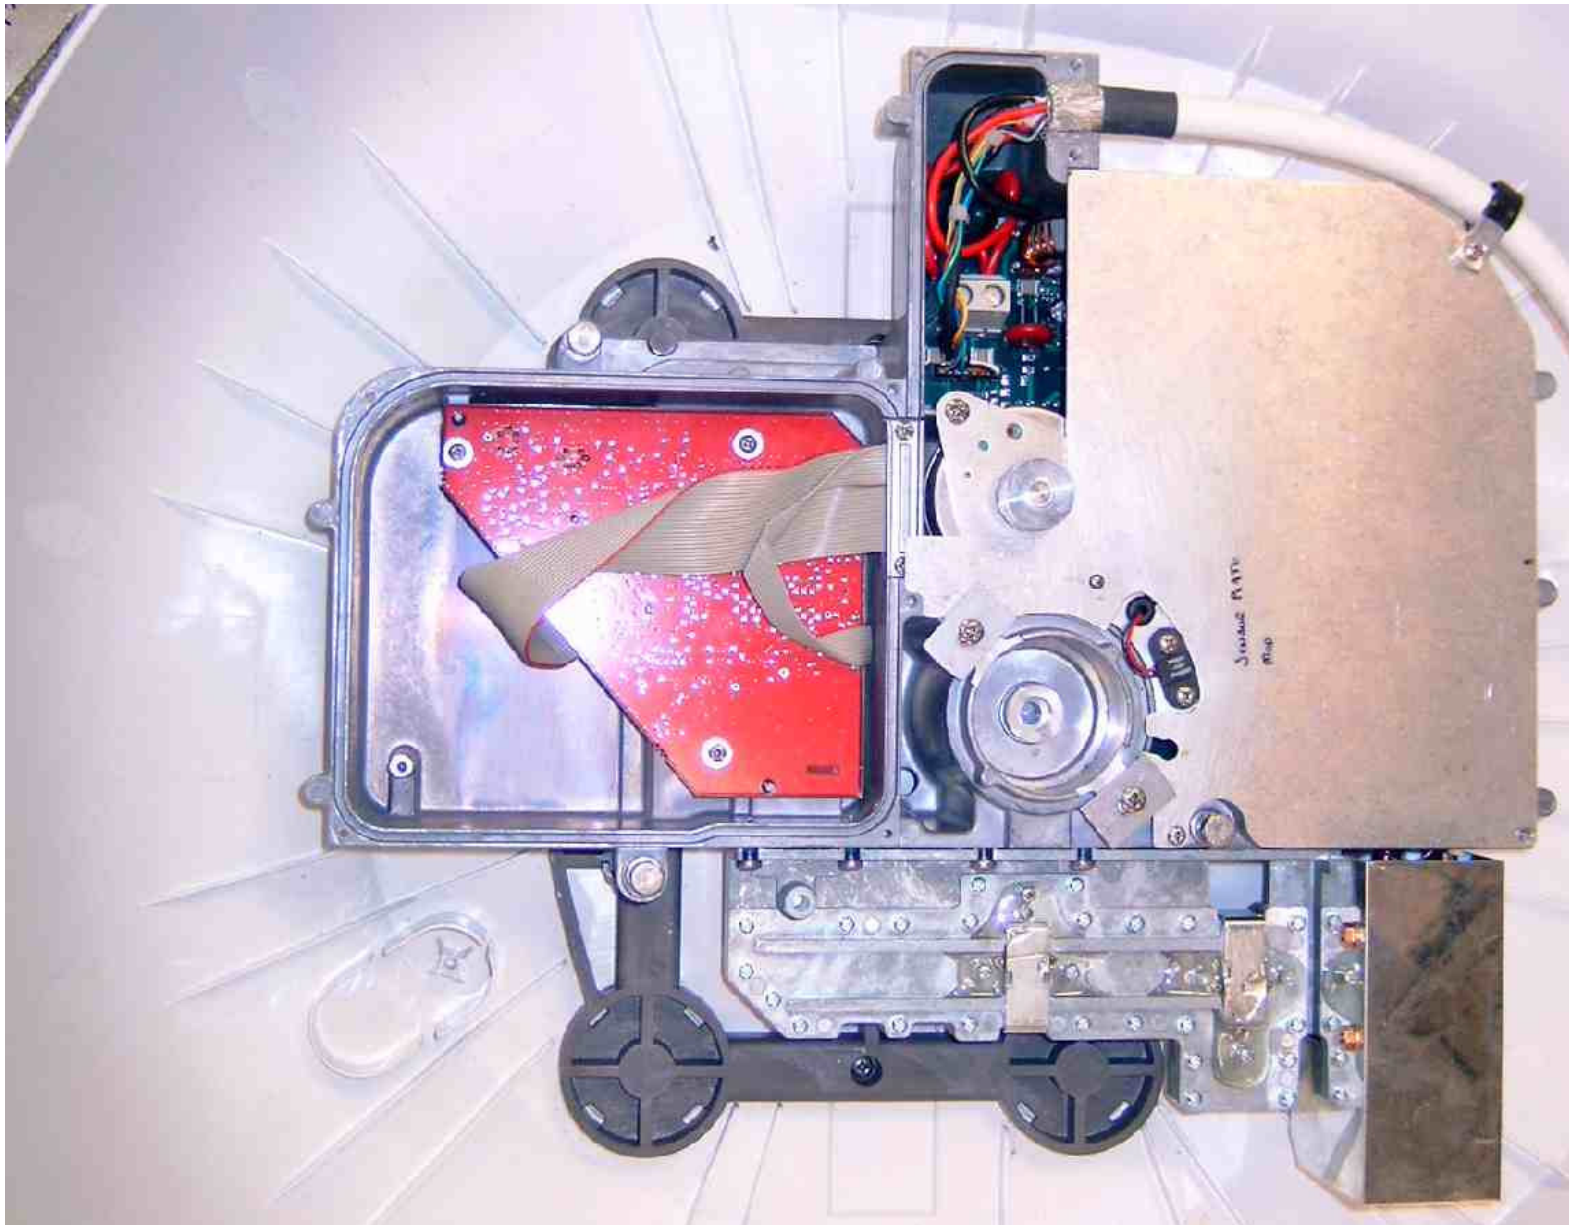

RD424 4kW 24" Radome Scanner Core with antenna removed. View showing circulator and magnetron screening box.

RD424 4kW 24" Radome Scanner

Cable termination cover plate removed

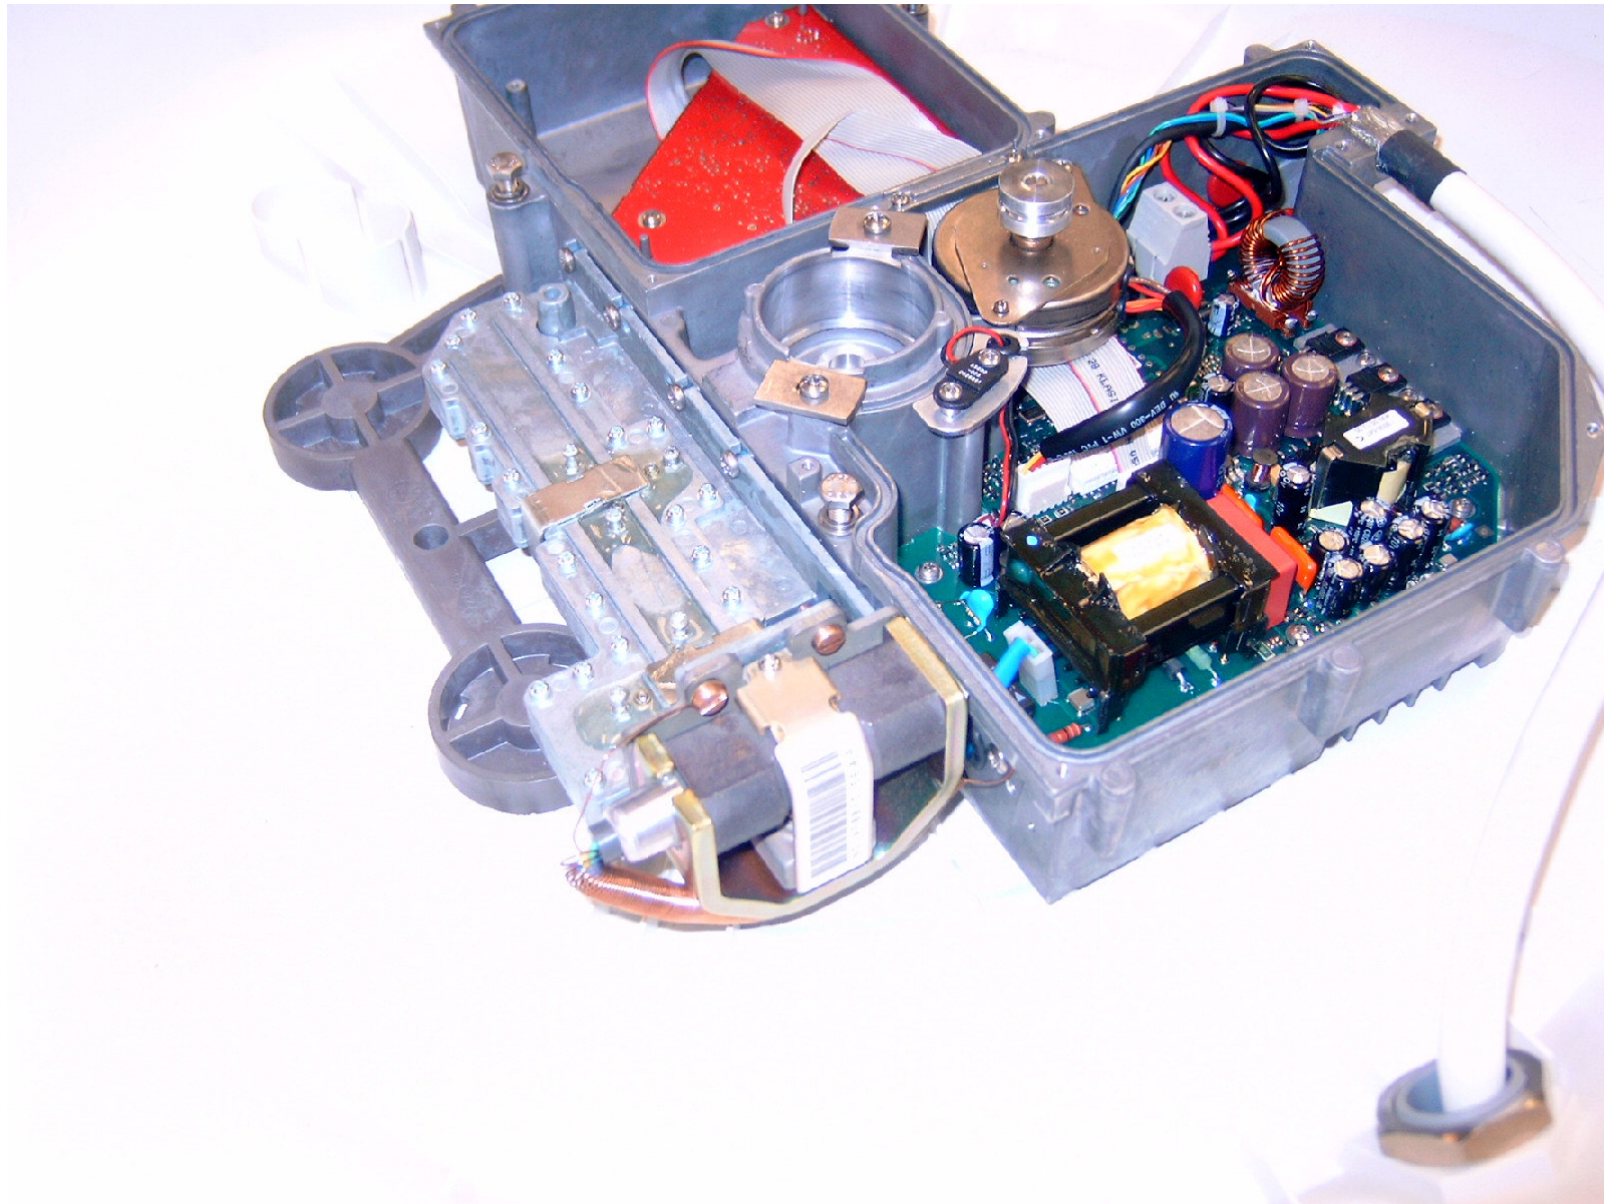

RD424 4kW 24" Radome Scanner

I.F. amplifier PCB cover plate removed

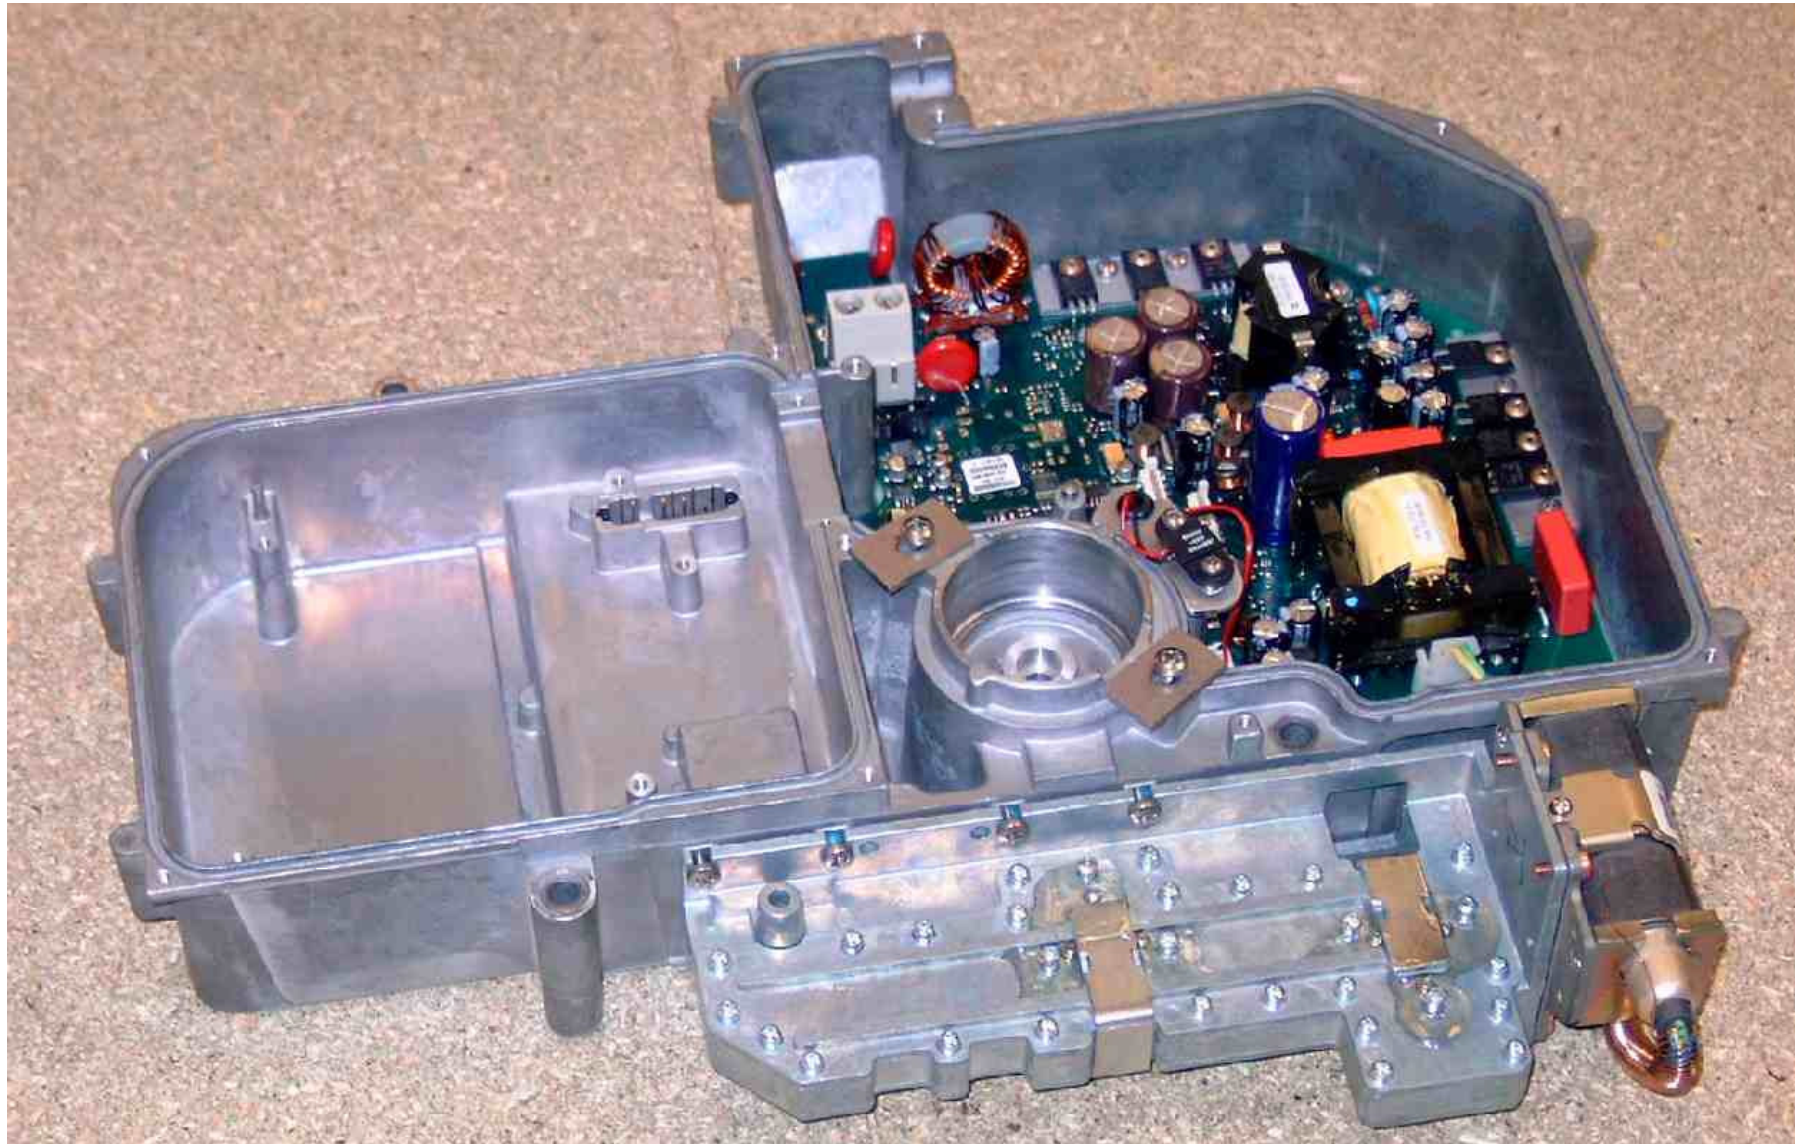

RD424 4kW 24" Radome Scanner

Modulator/PSU assembly cover plate removed

RD424 4kW 24" Radome Scanner

Magnetron screening box removed

RD424 4kW 24" Radome Scanner

Core with I.F. Amplifier PCB and antenna drive motor removed
