## INFORMATION TO WHOM IT MAY CONCERN

### PJ5-AIS650 - RESULTS APPLICABILITY DECLARATION

We, SRT Marine Technology Ltd of Wireless House, Westfield Industrial Estate, Midsomer Norton, Bath, BA3 4BS, England represent and declare under responsibility for Raymarine UK Limited of Marine House 5 Harbourgate, Southampton Road, Portsmouth, Hampshire, PO6 4BQ, United Kingdom hereby declare that the product AIS650, being a Marine AIS CSTDMA Class B Transponder, to which this declaration relates, is a COBALT 011-0014 Module placed inside of an enclosure acting as a host, for which we give full permission for Raymarine UK Limited to use all reports of COBALT 011-0014.

All testing on COBALT 011-0014 were taken with serial cabling and interfaces being un-shielded and grouped together resulting in a representation of the worst case being tested. The COBALT module is RF shielded.

All reports for COBALT 011-0014 are applicable to the device AIS650, due to the device AIS650 being a COBALT 011-0014 module being placed inside of a RF transparent enclosure with the same serial ports as represented during test of COBLAT 011-0014 and the same RF shielding over all circuitry.

The following reports are applicable for FCC IS: PJ5-AIS650

75912008 Report 06 Issue 1  
75912008 Report 07 Issue 1  
75912008 Report 08 Issue 1
