**Overall Assessment Letter for:**

**Raymarine 4kW Digital Super High Definition Open Array Radar Scanner Unit &  
Raymarine 4kW Digital High Definition Open Array Radar Scanner Unit**

**FCC id: PJ5-DP4KW**

I have reviewed this application and find it compliant.

This is an application for a 4kW Leisure Marine Digital High Definition Open Array Radar (P/N: E52069) and a 4kW Leisure Marine Digital Super High Definition Open Array Radar (P/N: E52081).

Raymarine has declared that the hardware for both variants are identical. The differences in software, as described in the Raymarine application letter, have been declared to have no effect upon the transmitter performance characteristics.

The device has been tested in relation to Safety precautions as recorded in test report number 649/1047 and Electromagnetic compatibility as recorded in test report number 649/1045.

I underwent the FCC RF exposure evaluation training at BABT in July 2007.

Yours sincerely

Vina Kerai  
Compliance Engineer, BABT
