Dear Sir

**Subject: Applications for FCC Certificates of Approval for Raymarine e7 and e7D displays**

Please find enclosed the FCC application for the Following Raymarine Displays. These are intended for use on non-IMO leisure craft and small workboats.

e7D Chartplotter / Fishfinder display, Part number E62355

e7 Chartplotter display, Part number E62354

Both units have built in WIFI and Bluetooth wireless connectivity using approved module FCC ID:TFB-TIWI1-01.

The units have identical PCBs and metalwork with the exception of the Fishfinder circuitry is not populated on the chartplotter only version and the hole for the fishfinder connector is not been machined in the casting.

If you have any queries regarding the application, please contact myself or Paul Pitt on the following:
