

To whom it may concern:**Declaration on equality of ID ISC.LRU3000 and ID ISC.LRU3500**

Concerns:
FCC ID: PJMLRU3000
IC Canada: 6633A-LRU3000

Herewith

FEIG ELECTRONIC GmbH
Lange Straße 4
35781 Weilburg
Germany

declares that the UHF Long Range Reader Models ID ISC.LRU3000 and ID ISC.LRU3500 are equal in all relevant parts. Both readers use the same schematic. The LRU3000 is just a version of the LRU3500 with limited features and minor changes in the BOM. BOM Files of both reader versions are provided. The BOM files show that in both versions of the reader the synthesizer is identical.

Weilburg, 2013-10-29

Daniel Büth, System Application Engineer
