March 31, 2004

Mr. David Schramm
Intertek Testing Services
1950 Evergreen Boulevard, Suite 100
Duluth, Georgia 30076

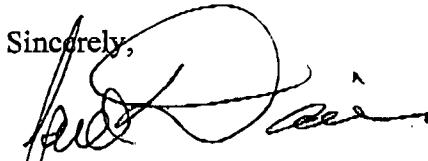

Dear David:

StatSignal Systems requests that all schematics and bill of materials required by the FCC for the WTR171 be filed confidentially.

StatSignal Systems is in a very competitive industry, and has gone to extreme measures to protect the intellectual property of the company. We respectfully request that these documents for the WTR171 product be submitted with strict confidential levels.

Thank you.

Sincerely,

James Davis
