To Whom It May Concern:

Today I am uploading internal and external photographs for the above mentioned application. The photographs that were uploaded with the original filing on 4/5/01 were photographs of one of the accessories; not of the actual device that was tested.

The photographs uploaded today, 4/24/01, are the correct photographs for this application.

Should you have any questions with regards to this, please advise.

Regards,
Sharon A. Hoffman
