Limited Modular Approval Request Letter

FCC ID: PKRISGMD8800

The following attestation addresses the requirements to support modular approval:

Modular approval requirement	Yes (provide brief statement)	No *
(a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly	Yes, module radio elements are shielded. Refer to External Photographs Exhibit	
(b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal	Yes, module chipset design incorporates integrated buffer circuitry	
(c) The module must contain power supply regulation on the module	Yes, module chipset design incorporates voltage regulation to transceiver circuitry	
(d) The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)	Not Applicable to Licensed Modules	
(e) The module must demonstrate compliance in a stand-alone configuration	Yes, EUT Conformance Testing of the module was performed in Stand-Alone configuration.	
(f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)	Yes, Refer to Product Label Exhibit.

<p>(g) The module must comply with all specific rules applicable to the transmitter. The grantee must provide comprehensive instructions to explain compliance requirements</p>	<p>Yes, MD8800 module is compliant with all applicable FCC rules. Compliance requirements are stated in the MD8800 Integration Guide Exhibit.</p> <p>The MD8800 module is not for sale to 3rd parties and the user manual integration instructions are internal confidential manufacturing documents.</p> <p>Grant for this module is "Limited" based on this these statements.</p>	
---	--	--

Modular approval requirement	Yes (provide brief statement)	No *
<p>(h) The module must comply with RF exposure requirements</p>	<p>Yes, Compliance with RF Exposure requirements is addressed in the RF Exposure Report.</p>	

Yours sincerely,
