185474-
1613D 94V-8

Microcontroller and peripheral components including:

- Microcontroller (top center)
- Memory chip (top right)
- Resistors and capacitors (top left and center)
- Crystal oscillator (top right)

Microcontroller and peripheral components including:

- Large microcontroller (center)
- Memory chip (bottom right)
- Resistors and capacitors (center and bottom)
