Federal Communications Commission
Authorization and Evaluation Division
1435 Oakland Mills Road
Columbia, MD 21046

Date: **June 20, 2013**

SUBJECT: FCC Class II Permissive Change

Please find attached this application for Class II Permissive Change to the Mini-PCIe wireless WAN card, model E396 (FCC ID:PKRNVWE396). This FCC ID was originally certified by the commission on July 21, 2011.

The changes filed under this application are to include this module in a host laptop, Model Name:CB2U.

The module mentioned above is electronically and mechanically identical to the original and has been evaluated according to the installation instructions and requirements. Therefore, we, Novatel Wireless Inc, take the responsibility to ensure each module has been evaluated and complies with the applicable requirements as described in this application.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Gallagher".

Todd Gallagher
