Dear David,

The OQO, Inc. model 02 computer with the regulatory model number of 2060 was tested with the Novatel Wireless, Inc. module E725. The Novatel Wireless, Inc. model E725 FCC ID is PKRNVWE725. The testing conducted on the OQO, Inc. device should be able to satisfy a Class II change on the Novatel Wireless, Inc. FCC ID with no further testing required.

Please contact me if you have any further questions.

Best regards,

Jay Moulton
