CAUTION

This USB modem (FCC ID: PKRNVWMC1000) is approved for use in normal size notebook computers only (typically with 12" or larger display screens). To comply with FCC RF exposure requirements, this device should not be used in configurations that cannot maintain at least 12 mm (approximately 0.47" or 15/32") from users and bystanders; for example, in certain notebook and tablet computers and configurations where the USB connectors on the host computer are unable to provide or ensure the necessary separation between the modem and its users or bystanders to satisfy RF exposure compliance requirements. See User Manual.
